

Dear Manager,

I love your shop. And I love that you carry my favorite soda, Zevia. Did you know they offered Zevia in 16oz single serve sizes as well? Well, they do. The best-selling natural soda is now available in a larger size, perfect to pair with my sandwich at lunch or grab a cold one for my drive home. Best of all, I could try a new flavor!

As a favor to me, would you mind reaching out to the soda-loving team at Zevia for some more information? I heard these are all available for you through UNFI and other great distributors.

Send an email over to [zevia@zevia.com](mailto:zevia@zevia.com) or call 855.469.3842.

Chill & Enjoy!
